DISCLAIMER

This Request for Proposal (RFP) has been issued by the A.P. Shilparamam Arts Crafts & Cultural Society (hereinafter referred to as "the Society"), under the Youth Advancement, Tourism and Culture Department, Government of Andhra Pradesh, for the purpose of inviting competitive bids for the Development and Operation of a Water Games and Indoor Games Facility at Shilparamam, Visakhapatnam, on a Licence-cum-Lease basis.

This document does not constitute a legal offer or agreement. The Society reserves the right to cancel, modify, or withdraw this RFP at any stage without assigning any reason and without incurring any liability to any bidder or any other party. All information in this RFP is provided for guidance only and bidders must conduct their own due diligence.

The information in this RFP is based on data available at the time of preparation. The Society does not guarantee its accuracy or completeness. Bidders are advised to verify all site conditions, statutory requirements, and other relevant facts independently before submitting their bids.

1. INTRODUCTION AND BACKGROUND

1.1 About Shilparamam, Visakhapatnam

Shilparamam (Jathara), Visakhapatnam is a premier cultural, arts, and crafts village operated by the A.P. Shilparamam Arts Crafts & Cultural Society under the Government of Andhra Pradesh. Shilparamam is a vibrant destination that showcases traditional handlooms, handicrafts, and performing arts, drawing significant footfall from residents, tourists, families, and school groups — particularly on weekends and during festive seasons.

The Society manages the premises including handicraft stalls, cultural performance spaces, artisan workshops, and associated amenities. Shilparamam is a self-sustaining cultural ecosystem that integrates heritage preservation with tourism and commerce.

1.2 Purpose of this RFP

With a view to:

- Enhancing Shilparamam as a premium family destination in Visakhapatnam;
- Increasing overall footfalls to Shilparamam, thereby boosting visitor engagement and sales of handlooms and handicrafts at existing stalls;
- Attracting a wider and younger audience to cultural programs, especially on weekends; and
- Generating sustainable revenue for the Society through lease rent and Additional Development Premium (ADP);

— the Society invites competitive bids from eligible private entities / operators for the Development and Operation of a Water Games and Indoor Games Facility on an area of 0.50 Acres (50 Cents) within the Shilparamam premises, Visakhapatnam, on a Licence-cum-Lease basis for a period of 8 (Eight) Years.

2.2 Proposed Facility

The allotted site of 0.50 Acres is located inside the Shilparamam premises, adjoining the existing Water Park within the Shilparamam. The successful bidder shall develop and operate the following within the allotted area:

- **Outdoor Water Games Area:** (not duplicate or compete with) the existing Water Park adjacent to the site.
- **Indoor Games Zone:**

Critical Conditions

All visitors to the Water Games and Indoor Games Facility shall enter exclusively through the Shilparamam main entry gate, after purchasing the standard Shilparamam entry ticket. The Licensee shall NOT create, permit, or facilitate any separate, direct, or independent ingress / access point to the facility from outside the Shilparamam premises — whether through boundary walls, side gates, rear access, or any other means. Any breach of this condition shall constitute a material default under the licence and may result in immediate termination of the Agreement.

This condition is fundamental to the purpose of this project — to increase footfalls through the Shilparamam entry gate and thereby benefit the handicraft stalls, artisans, and cultural program spaces within the Shilparamam.

2.3 Objectives

- Increasing its competitive appeal as a weekend destination.
- Drive higher footfall into the Shilparamam, with measurable spillover benefit to handloom/ handicraft stalls and cultural programs.

- Create local employment during construction and operations.
- Maintain harmony with the cultural and artisanal character of Shilparamam.
